

FLORIDA SECTION AIR & WASTE MANAGEMENT ASSOCIATION

Local Associate Registration/Renewal Form

The Air & Waste Management Association (A&WMA) is a nonprofit, nonpartisan professional organization headquartered in Pittsburgh, PA that provides training, information, and networking opportunities to 12,000 environmental professionals in 65 countries. There are 31 localized "Sections" of A&WMA, each with its own board of directors. To become a Member of the international A&WMA organization or to learn more about the benefits of becoming an A&WMA member, visit the website at www.awma.org. International members are automatically affiliated with the Local Section and Chapter that covers their mailing address.

Those who are not A&WMA Members, but who are interested in the activities of the A&WMA Florida Section, can become a **Local Associate** of the Section and the selected local Chapter. Local Associates pay a lower dues rate than members but are not recognized by A&WMA. As an Associate, you will receive the quarterly newsletter designed to keep you informed of Florida Section news, Local Chapter news, the Annual Technical Conference details, and important Florida regulatory developments. Associates also receive special reduced rates at the Annual Technical Conference. When you join the Florida Section you will automatically become an Associate of a local Chapter* if there is one active in your geographic area. Currently there are six local Chapters: Big Bend; Central Florida; Coastal Plains; Northeast; Southeast; and Tampa Bay. You may join multiple Chapters by including the appropriate fee.

Please complete this form and attach a check for the appropriate amount payable to the "Florida Section A&WMA" and mail to:
